

DN AGRAR obtains VEKTOR by ARIR 10

DN AGRAR obtained the maximum score - 10 - for the communication with investors in the VEKTOR by ARIR 2023 evaluation, conducted yearly by the [Romanian Investor Relations Association](#).

Peter de Boer, Investor Relations Manager and Board Member, DN AGRAR Group:

„In the past year, we have become the second-largest company traded on the AeRO market, with a total transaction value exceeding 25 million lei. Last year, we managed to be the 2nd company in the AeRO market with the highest transaction value, with transactions exceeding 25 million lei. Also, in 2023, we recorded significant growth in our investor community, now with nearly 2,000

shareholders, and we reaffirm our commitment to strengthen our presence in the capital market through efficient and transparent communication. In 2023, we initiated a collaboration with a Market Maker and had our first financial analysis report. We launched a new website, conducted investor conference calls, and organized dedicated events, providing investors with easy access to information through proactive communication tools.”

Key aspects of DN AGRAR's activity in the capital market

 Our shares have been included in the BETAeRO index since September 19th, 2022.

 During the last year, we have managed to be the 2nd largest company traded on the AeRO Market considering the total value. The value traded with our shares almost doubled in 2023 vs 2022, exceeding 25 million lei.

 Regarding the performance of DN AGRAR's stock price, in 2023 it increased with 74% (the seventh company from BETAeRO in terms of the increase of the share price). The number of transactions reached an impressive 7,812 threshold.

 DN AGRAR supported the liquidity by contracting Market Maker services from BRK Financial Group. Also, DN AGRAR's share started to be covered by 2 analysts.

 On February 2, DN AGRAR will celebrate its 2nd anniversary since being listed on the AeRO market of the Bucharest Stock Exchange.
